Meeting: September 3, 2021 – Regular Board of Education Meeting
Category: Business Item
Subject: Proposed Mission statement update: Together we will foster student skills to achieve their goals and *thrive in* an ever-changing world.

RECOMMENDATION

It is the administration's recommendation that the School Board approve updating the District's Mission to "Together we will foster student skills to achieve their goals and *thrive in* an ever-changing world".

PERTINENT FACTS:

The District's current Mission was developed during the Strategic Planning sessions in Spring 2019 and approved by the Board as part of the Strategic Plan on August 28, 2019:

Strategic Plan

Vision: Students are equipped to realize their dreams and aspirations.

Mission: Together we will foster student skills to achieve their goals and adapt to an ever-changing world.

Goals:

- ▶ Prepare students for post-secondary life
- ▶ Provide sufficient/effective staff support
- ▶ Improve communication district and community wide
- ▶ Increase visibility to share lifestyle and increase enrollment

We are proposing that the phrase "adapt to an ever changing world" in the District's Mission be updated to "thrive in an ever-changing world." This update focuses on our aspiration for all of our students – that they thrive! This is also more PHlight club focused and many of our community members and students are familiar with that language.

RECOMMENDED MOTION:

Approve updating the Southeast Island School District Mission to: "Together we will foster student skills to achieve their goals and thrive in an ever-changing world."
