18 October 2021 Clarification Follow Up Meeting:

Curt Hauger (Ridge Sales), Eric Dunrud (City of Badger), and Striker Hasson (Badger School) met Monday, October 18, 2021 to clarify the Snow Removal Bid submitted to the school:

Ridge Sales will not be doing new fallen snowfall plowing/pushing/blowing into piles or windrows on a day-to-day basis. No unannounced self-scheduling.

Ridge Sales will be hauling away already-made snow windrows and already-made snow piles only.

Ridge Sales indicated that may stand ready to be available for special case-by-case situations if dispatched in advance by school.
