**TO:** Members, Board of Education  
Dr. Albert Roberts, Superintendent

**FROM:** Lisa Schwartz

**RE:** Middle School Science Curriculum Update

**DATE:** May 22, 2012

The following report provides information regarding the middle school science curriculum adoption and transition. Additional information about our science instruction in the middle schools will be shared by the Science Department Co-Chairs, Phyllis Frick and Jason Morrell, at the May 22 Board meeting.
