

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **October 5, 2010**

TITLE: **Summer Learning Program**

BACKGROUND: This past summer the District revised the “Summer School Program” and instituted a “Summer Learning Program.” The focus was on second and third graders and the content areas of Math and Reading. Identification was based on results from “strand” areas on MAP testing, and also by AIMS test results for third graders. Selected students participated in half-day sessions. Tom Collins, Director of Federal Programs, will be present to overview the Summer Learning Program model and the results.

RECOMMENDATION: This item is presented for the Board’s information.
