Staff Development - None for the month of March

Principal's General Narrative:

March was a great month at Brackett High School. Our academic UIL team won the district meet in La Pryor by a large margin with every member qualifying for the regional meet in Corpus Christi on April 24th and 25th. Our OAP has been improving tremendously, performing well at district and advancing to bi-district. Bi-district was held in Kerrville, where we also did well and advanced to the Area meet in Pflugerville on April 16th and 17th. We had two students advance to the state choir competition on May 25, as well as two art students advancing to the state VASE competition.

We had our first round of testing for the EOC and STAAR at the end of the month and beginning of April. The teachers and students did a great job and we are now waiting for the results to let us know how we did. We will have more testing going on throughout this month along with our extracurricular activities.

Our teachers are working extremely hard to get the students prepared for the rest of testing that is coming up. We are continuing tutorials for our students that need a little extra help preparing for their EOCs.
