 RE: Draft Student Registration and Lunch Fees

Registration Fees remained the same, minus the recommendation to make the Student Clubs/Activity Fee required for Middle School students. We offer so much for students to be involved in after school besides sports, that the vast majority of students take part in something. It is hard to track who stayed after and who didn't sometimes, as they move between clubs. The only other change is cleaning up the language a bit to help bring clarity for parents.
