Dear Neah-Kah-Nie School Board and Superintendent Reed:

I would like to recognize Maria Holm as our Volunteer of the Month for Garibaldi Grade School. Maria is dedicated and helps support our preschool classroom in numerous ways! She has always loved working with children and has been eager to help and support in any way possible and we are so very grateful for her time.

Maria Holm has been an amazing volunteer for us since the beginning of the school, volunteering at least twice a month and helping us out. Maria has helped the classroom immensely with prepping materials for the classroom, making copies, and getting art projects ready. She helps the kids with their art projects and loves to play and talk with them. Her enthusiasm and genuine care have helped add to the positive and nurturing environment that greatly enhances the learning experiences of our students.

Maria is the type of person who is willing to do anything that is asked of her and is a consistent presence in the classroom and the kids enjoy her very much. Her willingness to lend a helping hand has made an impact on the classroom dynamics and the overall well-being of our students. Her presence has enriched our educational community and we are incredibly fortunate to have her as part of our family. We are very appreciative of Maria's willingness to come and help us out.

Sincerely,

Janmarie Nugent
GGS Principal
