Hello Jered,

Enclosed please find a document responsive to your request. The school district does not have any documents that include all the requested information. Most of the requested information can be found within the attached document. There are five tabs labeled with the way we classify employees. Please let us know if you need any further assistance.

Re: Illinois Freedom of Information Act Request

September 22, 2025

To DR. TODD HELLRIGEL:

Under the Illinois Freedom of Information Act, 5 ILCS 140, I am requesting an opportunity to obtain copies of public records that include job titles, wages (hourly or salary), department, and hours worked (if part time) of all employees of MIDWEST CENTRAL COMMUNITY USD 191 listed on the Quarterly Contribution report for the payroll that included May 12, 2025.

Based on that report, this list should have around 187 employees. Teachers should be reported by both grade level and whether or not they teach special education. For example, elementary teachers, kindergarten teachers, and high school special education teachers should all be reported as different occupations. We are not requesting names, SSNs or any other personal information.

We request that electronic records be emailed in Microsoft Excel format to the Occupational Employment and Wage Statistics Program of Illinois at owsillinois@idcfmail.bls.gov

This request is not for a commercial purpose.

I look forward to hearing from you in writing within five working days, as required by the Act 5 ILCS 140(3). Thank you for considering and responding to this request.

Sincerely,

Jered Piepenbrink
