ACEs & Trauma Informed Care

The Three Rivers School District Board of Directors supports full implementation of strategies and professional development activities that involve Adverse Childhood Experiences study (ACEs) and Trauma Informed Care.

High Quality 3Cs

Communication - Customer Service - Community Engagement

The Three Rivers School District Board of Directors is committed to fostering a positive public perception on behalf of the district. We will collect information from students, parents, community members and TRSD employees by way of a satisfaction survey in the Spring of 2018. Our areas of focus are communication, customer service and community engagement.
