

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting January 23, 2023

FOR ACTION

Subject: Approval of MySchoolBucks

Ms. Varhalla details the collaborative process she designed to investigate other possible options for residents to utilize online payment programs for school fees outside of the current firm, PushCoin, in her attached memorandum. MySchoolBucks received good feedback from those staff and PTO officers involved in the demonstration of the online service. While it does charge more for transactions than the current service, there are no monthly fees associated with MySchoolBucks. In fairness to parents using this service, the District will pick up 1.5% of the transaction/processing fee.

It is my recommendation to the Board to approve the use of MySchoolBucks in the collection of school fees for the 2023-2024 school year as well as absorb 1.5% of the transaction/processing package for parents, as presented.

Recommendation: The Board approve MySchoolBucks for the electronic collection of fees for the 2023-2024 school year, as presented.
