DATE OF MEETING: **January 24, 2017**

TITLE: **Affiliation Agreement with Brown Mackie College for Training of Occupational Therapy Assistants**

BACKGROUND:

Amphitheater Public Schools has a number of affiliation agreements with universities, colleges and training programs. These agreements allow district staff to supervise students enrolled in training programs for school social work, school psychology, speech and language pathology, occupational and physical therapy and other related service professions. Our employees benefit greatly from the experience and these students are often then candidates for positions within the district.

RECOMMENDATION:

The administration recommends approval of the affiliation agreement with Brown Mackie College for training of occupational therapy assistants. Mr. Clyde Dangerfield on January 18, 2017 reviewed and approved this agreement.
