The Wildcats finished the regular season with an 8-2 record and defeated Saginaw 42-14 to earn the bi-district title. Guyer then defeated defending three-time state champion Aledo 42-30 and undefeated Amarillo, 38-30.

FINE ARTS

7 students' artwork displayed at State Capitol

Seven elementary students representing three Denton Independent School District schools had their artwork displayed at the State Capitol in Austin in a special art exhibit for the Texas Association of School Boards and School Administrators conference this past fall.

The students submitted their work in the spring of the 2011-12 school year. The winning artists from Ginnings include Adela Splawn, fifth-grader; Haley Cofer, fifth-grader, and Ithais Romero, third-grader. Those from E.P. Rayzor Elementary include Ariana Tashakkori, fourth grader; Fernando Harnjanz, fifth-grader, and Charlie Williams, who is now in the sixth-grade at Harpool Middle School. The winning artist at Newton Rayzor Elementary is Elena Mitchell, fifth-grader.

The art teachers are Kay Adamson, Ginnings Elementary; Kelley Quinn McGee, E.P. Rayzor Elementary, and Kristin Williamson, Newton Rayzor Elementary.

The students had artwork selected by members of the Texas Art Educators Association Exhibit. Their works were selected along with several other school districts across the state and displayed in the exhibit hall of the Austin Convention Center.

The TAEA consistently provides avenues for children across the state to showcase their work and promotes the importance of promoting art education and students' artwork within their communities.
