Grapevine–Colleyville ISD Board of Trustees
Good Governance Handbook

Statement of Purpose

The Grapevine-Colleyville Independent School District Board of Trustees is committed to the highest levels of good governance. We believe that good governance is not a destination but a journey. To this end, we are committed to governance best practices such as, but not limited to:

- Alignment to the three essential roles (see model on the next page)
- Utilizing a scorecard to track progress in (at least) two ways:
 - District scorecard monthly report on Board approved strategic objectives.
 - Board progress monitoring of results from good governance inventory. This inventory may be utilized initially in 6 month time horizons, with an eventual minimum expectation of annual update.
- Systematically monitoring team trust utilizing a neutral/third party when needed.
- Clarity surrounding the difference(s) between the role of the Superintendent and the role of the Board. (see Board Policy BAA (LEGAL), BJA(LEGAL), BJA(LOCAL))
- Commitment to asking good questions that are aligned to the strategic role rather than the tactical role (see sample strategic questions on the next page).

The Board of Trustees will set expectations for a mindset of continuous improvement for our Superintendent and Leadership Team. The Board will furthermore model this continuous improvement mindset as we strive to become THE BEST Board in the State of Texas.

Grapevine-Colleyville ISD Board of Trustees

Good Governance Guidelines

The Grapevine-Colleyville ISD Board of Trustees welcomes community participation in the school district. The information in this handbook is designed to define some of the policies and procedures used during the Board's meetings, as well as review several practices of the GCISD Board of Trustees.

1. Developing the Board Agenda

The Board meeting agenda is finalized ~~three days~~ **one week** prior to a Board meeting. Two Board members may make an agenda request at least ~~six~~ **15** days prior to a Board meeting. In accordance with **HB1522** and the Texas Open Meetings Act, the Board agenda must be posted ~~no less than 72 hours prior~~ **for at least three business days before the scheduled date of the** to a Board meeting, except in an emergency. All agendas are posted outside near the front entrance of the GCISD Administration building and on the District's website.

The Superintendent will provide Board members with Board packets ~~four days~~ prior to **posting** a Board meeting. The Superintendent will provide the Board with a contact person for each agenda item. Board members are encouraged to contact the Superintendent or designated staff member for questions. ~~and shall copy the Board President on such correspondence or otherwise inform the Board President of such inquiries.~~ Board members shall copy the Board President on all correspondence to the Superintendent or designated staff member.

Written responses to questions about an agenda item will be provided to all Board members.

The Board and Superintendent will maintain a continuous calendar for the year but may add or remove agenda items as appropriate.

2. Board Agenda Format

The Board may hold a general meeting or a special meeting. The primary distinction between the meetings is that a special meeting will have a narrower agenda and the public comment period is limited to the topics on the meeting agenda. Dates for general meetings are adopted annually. Special meetings are scheduled as needed.

The Board meeting agenda may include a period for recognitions, citizens' comments, discussion items, action items, information items, consent agenda, and other items as needed per Board President and/or District administration. One or more closed/executive session notices are placed on the agenda to address legally appropriate items including:

- Private consultation with the Board's attorney.
- Deliberating the purchase, exchange, lease, or value of real property.
- Deliberating a negotiated contract for a prospective gift or donation.
- Deliberating the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against an officer or employee.
- Deliberating the deployment or specific occasions for implementation of security personnel or devices; or a security audit.
- Deliberating medical or psychiatric records of an applicant for a benefit from an insurance, health or retirement plan.
- Deliberating discipline of a public school child or a case in which a complaint or charge is brought against an employee of the school district by another employee.
- Deliberating a matter regarding a public school student if personally identifiable information about the student will necessarily be revealed by the deliberation.

- Deliberating the standards, guidelines, terms or conditions the Board will follow or instruct its representatives to follow in consultation with representatives of an employee group.
- Excluding a witness from a hearing.
- Deliberating economic development negotiations.
- Deliberating a test item or information related to a test item.
- Deliberating security assessments or deployments; network security information; or the deployment or occasions for implementation of security personnel, infrastructure or security devices.
- Deliberating information confidential under Local Government Code relating to Homeland Security.

No voting or polling of votes may be done in a closed/executive session.

3. Public Addressing the Board

The Board of Trustees welcomes comments from the public. A Public Comment period is held at each Board of Trustees meeting. Members of the public desiring to participate in the Public Comment period may sign up online prior to the start of the board meeting from when the agenda is posted to 1 1/2 hours before the meeting. The online sign up will be available by noon on the Friday before a meeting until noon the day of the Board meeting. The Board has allotted 30 minutes for this period, but the time may be adjusted at the Board President's discretion to allow for the orderly conduct of the Board's meeting. Adjustments may include lengthening the total time for the Public Comment period and shortening the time-period given to each speaker, although no individual will be given less than one minute. There is generally a three-minute time limit on individual presentations. If groups wish to speak on the same topic, the Board may ask (but it is not required) that a spokesperson be appointed to speak for the group. Comments should be concise and contain information not substantially addressed by previous speakers. The individual who is listed to speak must be the individual who actually speaks during the Public Comment period (*i.e.*, another individual may not take the place of someone who has signed up to speak, unless the Board has asked that a group appoint a spokesperson as stated above). Commenters must provide their own comments during the Public Comment period and may not appear to read the statement of another individual, unless the Board has asked that a group appoint a spokesperson as stated above.

During special board meetings, Board members will hear public comments from citizens on agenda items only. At regular meetings, the Board shall hear persons who desire to make comments, voice concerns, or make complaints to the Board. The Public Comment period is not intended for the presentation of allegations of employee misconduct; requests for employee discipline; lodging personal attacks; shaming; or demeaning specific named GCISD employees; or unnecessarily disclosing private information about GCISD employees or students. Any issues pertaining to specific GCISD employees or students may necessitate a closed session of the GCISD Board to be held at the end of the general meeting. Personal attacks are defined as comments impugning an individual's integrity, honesty, character, immutable characteristics or like personal qualities of an identified person, accusations of criminal conduct, name calling, threats, fighting words, ridicule, mocking, or shaming.

Board members may respond to comments on an agenda item when the agenda item is considered. The Board will not deliberate or decide any subject that is not included on the agenda posted with notice of the meeting. The presiding officer or designee shall determine whether a person addressing the Board has attempted to solve a matter administratively through the grievance process established by Board policy. If not, the person shall be referred to the appropriate forum at which time the person may be heard and seek a resolution in that forum or the Board may put that topic on a future agenda. The Board will only consider personnel or student complaints that remain unresolved after they have been addressed through the grievance process and when they have been placed on the Board agenda for hearing or action. See GCISD Board policies DGBA (employee), FNG (students/families), and GF (public).

Speakers during Public Comment are responsible for the words they speak during public comment and will be solely liable for any damages if it is later determined that the words spoken injures a person's reputation, exposes the person to public hatred, contempt, ridicule, or causes financial injury. Under Texas law, GCISD is immune from any claims for defamation.

The Superintendent or designee may follow up with persons who have commented before the Board.

The Board may not prohibit public criticism of the Board, including any criticism of any act, omission, policy, procedure, program or service. This does not apply to public criticism that is otherwise prohibited by law. (Gov't Code 551.007)

The Texas Open Meetings Act permits the Board to deliberate and act only as a corporate body at a properly called meeting. The Board may not deliberate or act through any correspondence (e.g., calls, text, email or any other written format). Board members will limit their responses to public comments or inquiries on items that are not on the agenda to statements of specific factual information, recitations of existing policy or if the comment or inquiry is a complaint, the Board member will direct the individual to the Superintendent or other appropriate administrator who will proceed according to the applicable complaint policy. If the concern or complaint directly pertains to the Board's own actions or policy for which there is no administrative remedy, Trustees may request that the issue be placed on the agenda of a future meeting. To avoid any perception of a violation of the Open Meetings Act, emails or correspondence from individual Board members in response to public comments or inquiries will not be sent or copied to the remaining Board members.

4. Meeting Procedures and Information

The Board shall observe Robert's Rules of Order parliamentary procedures. The Board President will preside at all meetings and recognize each Board member prior to any questions or discussion on agenda topics.

In the case of a tie vote, the motion fails. Once a vote is taken, all Board members are expected to support the majority decision.

No Board member has authority outside of a Board meeting. The Board's authority is as a "Body Corporate."

5. Communications

The Superintendent will communicate with all Board members weekly or more often, as the need arises. Should the Superintendent or designee need to present information to the Board members, and a Board member is unable to attend such informational presentation after the Superintendent or designee's attempt to schedule a mutually agreeable time to meet with the Board member, that Board member should contact the Board President to obtain the information presented.

Board members will be advised of any urgent or crisis situations within 24 hours.

Board members should keep the Board President apprised of issues they have referred to the Superintendent.
Board members shall copy the Board President on all correspondence to the Superintendent.

The Board President and Superintendent are the official spokespersons on behalf of the Board.

Board members will abide by the Board's Code of Ethics in Board Policy BBF(LOCAL) and the expectations for civility and conduct, as stated herein.

When communicating on social media, Board members shall keep the following guidelines in mind:

- Exhibiting caution when publicly commenting on a pending matter that may come before the Board in a Level Three hearing so as to avoid the perception of bias or prejudgment on such issue, unless the Board member plans to recuse himself or herself in such hearing;
- Ensuring it is clear when posting or speaking about District business that the Board member is speaking as an individual Board member and not as a spokesperson of the Board (unless acting with the Board President's authorization as a spokesperson);
- Maintaining compliance with the standards in Texas Penal Code § 39.06 and Texas Government Code § 552.352 regarding the use of official and/or confidential information obtained by the nature of the Board member's role as a trustee;
- Displaying respect for the majority decision as the decision of the Board;
- Accurately representing District policies, programs, priorities, and progress.

6. Decorum

The Board shall maintain an appropriate meeting decorum for the purposes of conducting the District's business and maintaining a safe and welcoming environment. Decorum protocols shall be posted on the Board's webpage and shall be available for attendees of the meeting along with the online sign-up form for requesting to speak during the Public Comment period.

7. Procedures for Patron or Employee Request or Complaint to an Individual Board Member

The Board member shall hear the patron or employee's request or complaint for a full understanding of the persons involved, date and place. Then the Board member shall:

1. Describe the chain of command to the patron or employee.
2. Refer the patron or employee to the appropriate person or to the Superintendent.
3. Remind the patron or employee of appropriate policy and that the Board member must remain impartial in case the Board later considers the situation.
4. Inform the Superintendent of any serious complaints.

8. Board Member Compliance with Policy and Procedures

Board members shall abide by these Guidelines and relevant District policy. As trustees of the District, Board members are fiduciaries of the District, meaning Board members have an obligation not to act in a manner adverse to the District's interests. In the event that a Board member fails to abide by the Guidelines and/or District policy or fails to properly act as a fiduciary of the District, the following actions may be taken:

- Private conversation between the Board President and the Board member;
- Confidential conversation between the Board member and the Board's attorney;
- Closed session discussion between the Board member and the remainder of the Board;
- Written communication from the Board's attorney to the Board member;
- Appropriate and lawful verbal censure of the Board member; and/or
- Other appropriate and legal actions.

9. General Information

Individual Board members may request, through the Superintendent and/or the Board President, any legally available information or reports concerning the District, students or personnel. The Superintendent shall disseminate the requested information to all Board members. Board members shall take care to avoid any action that may constitute a misuse of official and/or confidential information, as set forth in Texas Penal Code § 39.06 and Texas Government Code § 552.352.

The Board President will inform the Board of all speaking engagements when the Board is not present.

When visiting a campus as a trustee, Board members shall notify the building principal of their visit. On an annual basis, trustees must complete a background check.

Board members may address appropriate administrative staff with general questions.

However, Board members shall not issue directives to staff.

Board members shall not make derogatory comments about personnel or fellow Board members.

Board member requests for information shall be consistent with Policy BBE(LOCAL).

Staff will acknowledge requests in a timely manner.

Formal information provided in response to a Board member's question will be provided to all Board members.

Board members shall have final approval on recommended actions brought forward by selected committees.

If a Board member's request exceeds authority in Policy BBE(LOCAL), the staff member or Superintendent will notify the Board member(s) and the Superintendent.

Board members will evaluate the Superintendent during closed session each year in February. The agenda will reflect the Evaluation of the Superintendent. An interim evaluation of the Superintendent is conducted in October.

Board member elections are held in May of each year. Board members run for a specific place and serve for a three-year term. The terms are staggered.

Board officers are elected at the *first* meeting following the election.

10. Board Travel

Board members will not receive reimbursement for overnight stays for conferences or meetings in the Dallas/Ft. Worth area.

Travel other than TASA or TASB sponsored events must be approved by the executive committee prior to attending. The executive committee is comprised of the President, Vice President and Secretary. Reimbursement for mileage, parking, registrations and non-event sponsored meals are allowed. Out-of-state travel must be approved by the executive committee prior to attending.

11. Review of Good Governance Guidelines

The Board of Trustees will annually review and update the Board's Good Governance Guidelines at an August Board meeting. Compliance with these guidelines will be reviewed and discussed by the Board during an annual self-evaluation in January.
