

Action Sheet

MEETING DATE: March 29, 2023

AGENDA ITEM: Discuss and Consider Approval of CSRFP 2022-23-012
Food Service Equipment

GISD is in need of replacing a large number of kitchen equipment items throughout the district. Schools that are in need of updated equipment include Ball High School, Austin Middle School, Central Middle School, Crenshaw Elementary/Middle School, Moody Early Childhood Learning Center, Rosenberg Elementary School, Weis Middle School, and Oppe Elementary School. As a result of the hard work of the Child Nutrition Department, the Child Nutrition fund has a balance that will cover the cost of the purchase and installation of the needed equipment items. GISD issued a competitive sealed request for proposal on February 10, 2023. GISD received two proposals on March 3, 2023. A selection committee of five individuals from the Child Nutrition, Finance, and Operations Departments reviewed, scored, and ranked the bids. GISD is recommending Strategic Equipment (TriMark) for the kitchen equipment purchase and installation for the multiple school locations following the scoring results by the committee. The total cost of equipment and installation for all locations is \$1,030,504.

RECOMMENDATION: I move the board approve and award the
CSRFP 2022-23-012 Food Service
Equipment to Strategic Equipment
(TriMark) in the amount not to exceed
\$1,030,504.
