**Background Information:**

In accordance with TEC 31.04, school districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS).

Districts and charters will be unable to order 2024-2025 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA). The instructional materials list the district is requesting approval for the 2024-2025 school year for each grade level and core subject or core course is attached.

**Fiscal Implications:**

None

**Administrative Recommendation:**

***The Administration recommends approval of the Certification of Instructional Materials Allotment (IMA) and Texas Essential Knowledge and Skills (TEKS) for 2022-2023.***
