

# Franklin Elementary

103 Country Club Road Hillsboro, TX 76645

## June 2019 Board Report

### EOY Progress Monitoring Results

Based on end of the year progress monitoring data, our students demonstrated significant gains in phonological awareness and math. The Franklin staff provided targeted interventions to ensure student success. Results are as follows:

95% of our students met the EOY phonological awareness benchmark, which is a 8% increase from the beginning of the year.

96% of our students met the EOY math benchmark, which is a 27% increase from the beginning of the year.

### Campus Updates

Summer is a time to sharpen our skills as we prepare for the upcoming school year. Our design team will adjust the master schedule to increase our instructional minutes. We will also create a system-wide approach for improving instruction that results in increased student success by synthesizing initiatives, using leading and lagging indicators, and data to develop an integrated approach that supports the development of a campus-wide system and plan. We will submit our end of the year PTA School of Excellence application.
