INFORMATION

BACKGROUND INFORMATION:

In the spring semester of 2005-2006 the board developed board goals for the 2006-2007 school year. Staff and the board subcommittee made up of John Fish and Art Gamez have been working on plans to address the 5 goals. We will present progress on our plans and implementation of the plans at this board meeting. The largest amount of discussion is anticipated for board goal #5 which will be presented in the form of a Powerpoint presentation. Board goal #5 is related to our potential master plan and ideas to be more efficient in operations.
