

Governing Board Agenda Item

Meeting Date: February 13, 2025
From: Denise Linsalata, Assistant Superintendent
Subject: Open Enrollment Capacity Update
Priority: To plan for future needs in a proactive, accountable manner
Consent Action Discussion

Background:

Policy JFB – Open Enrollment requires that the Governing Board make the final determination of excess capacity at each school, by grade level, and specialized program. The Governing Board must also approve updates in excess capacity.

The most recent review of capacity at grade levels and programs requires the following change:

- Butterfield-change Intellectual Disability Program capacity to 20
- Ironwood-change sixth grade to no capacity

Recommended Motion:

I move that the Governing Board approve the updated 2024-2025 open enrollment capacity for each school, by grade level, and specialized program, as presented.

Approved for transmittal to the Governing Board: 
Dr. Daniel Streeter, Superintendent

* Available capacity figures that are listed above may vary for special education programs and students based on the specific special education needs of an open enrollment applicant. If the specific needs of an open enrollment applicant would require the hiring of additional District staff, open enrollment will be denied based on the fact that the District cannot serve the student with its existing staff.

** Attendance at ACE (Another Chance for Education) is limited to students (1) who have been suspended or expelled from Marana Unified School District and (2) who are permitted, in the discretion of the District and the applicable student discipline hearing officer, to have their suspension or expulsion held in abeyance during their attendance at ACE.
