SOUTH COAST ESD LOCAL SERVICE PLAN

ACTION REQUIRED

BACKGROUND OR SUMMARY

- Superintendent Paul Peterson with South Coast ESD will be presenting NBSD's 2026-2027 Local Service Plan to the Board.
- The Local Service Plan (LSP) is developed jointly by the education service district and its component school districts. The LSP must include the following services:
 1. **Programs for Children with Special Needs**, including, but not limited to, special education services for at-risk students and professional development for employees who provide those services.
 2. **Technology Support** for component school districts and the individual technology plans of those districts, including, but not limited to, technology infrastructure services, data services, instructional technology services, distance learning, and professional development for employees who provide those services.
 3. **School Improvement Services** for component school districts, including, but not limited to, services designed to support component school districts in meeting the requirements of state and federal law, services designed to allow the education service district to participate in and facilitate a review of the state and federal standards related to the provision of a quality education by component school districts, services designed to address school-wide behavior and climate issues, and professional technical education and professional development for employees who provide those services.
 4. **Administrative and Support Services** for component school districts, including, but not limited to, services designed to consolidate component school district business functions, liaison services between the Oregon Department of Education and component school districts, and registration of children being taught by private teachers, parents, or legal guardians pursuant to ORS 339.035.
- 5. **Board Approval** from each component district is required.
