

## **Park Manager Monthly Report**

### **Ongoing Improvements Project(s) Progress:**

**Reservations are being made online and some people call to make them. House weekly inspections are going smoothly. We have been going out weekly to check on things and get the mail. Working on getting all of the paperwork organized in a binder, Welcome packets almost complete. I posted of the Face book page Updated park map and events happing at the park this season. I also sent into IT an updated park map to put on the county page.**

**Campground Activities & Site notes: Park is Closed**

**Park: Sunken Lake**
