The Board shall fill the vacancy within 60 days after it occurred by a public vote at a meeting of the Board.

Immediately following a vacancy on the Board of Education, the Board will publicize it and accept résumés from District residents who are interested in filling the vacancy. After reviewing the applications, the Board may invite the prospective candidates for personal interviews to be conducted during duly scheduled closed meetings.

2:70-E Exhibit - Checklist for Filling Board Vacancies by Appointment

The Board of Education fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at: www.iasb.com/law/vacancies.cfm. [PRESSPlus1](#)

☐ **Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11.

☐ **Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).**

☐ **Develop a list of qualifications for appointment of a person to fill the vacancy.**

Guidelines	Explanation
At a minimum, a candidate must meet the following qualifications: <ul style="list-style-type: none"> • Be a United States citizen • Be at least 18 years of age 	

<ul style="list-style-type: none"> • Be a resident of Illinois and District for at least one year immediately preceding the appointment • Be a registered voter • Not be a child sex offender • Not hold an incompatible public office • Not have a prohibited interest in any contract with the District • Not be a school trustee • Not hold certain types of prohibited State or federal employment 	<p>While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB's <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/training/recruiting.cfm</p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs Regarding Conflict of Interest and Incompatible Offices</i> (ICSA), available at: www.iasb.com/IASB/media/Documents/COI_FAQ.pdf.</p>
<p>When additional qualifications apply, the following items may be included in the Board's list of qualifications:</p> <ul style="list-style-type: none"> • Meet all qualifications based upon the distribution of population among congressional townships in the district. • Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas. 	<p>Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district's incorporated and unincorporated areas. 105 ILCS 5/10-11.</p> <p>Note: If a vacancy for an area of residence remains unfilled, a board must submit a proposition at the next general election for the election of a board member at large. 105 ILCS 5/10-10.5(c).</p>

2:125 Board Member Compensation; Expenses

Board Member Compensation Prohibited[PRESSPlus1](#)

Board of Education members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

Regulation of School District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Superintendent will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with [Article 23 of the School Code](#); and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Superintendent or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development* and other professional development opportunities that are encouraged by the School Code (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The Board of Education selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms. The Board may also select an attorney without using an RFP process and adapt this checklist. The Board may also adapt this checklist and use it for an application process, if the Board seeks an inhouse attorney. For more information, call the Ill. Association of School Board's (IASB) Office of General Counsel; see its current phone numbers at www.iasb.com/about-us/staff/#office-general-counsel. [PRESSPlus1](#)

☐ **Determine what type of legal services the District needs.**

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorneys or outside attorneys/law firms. Many districts use a combination of these services. Many districts also use multiple attorneys/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. Some boards also approve a panel of attorneys and allow the administration to choose which attorney to use.
2. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
 - District's size;
 - Any past and current experiences with legal matters;
 - Complexity of the District's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

☐ **Develop a list of qualifications necessary for providing quality legal services to the District.**

1. Review Board policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align procurement for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Ill. Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of

Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.

- Experience in all aspects of contract, employment, and school law
- Experience that meets the District's needs, including litigation experience in State and federal courts
- Membership in professional associations, such as, the Ill. Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
- Demonstrated knowledge of and ability to apply professional responsibility rules
- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

☐ **Develop the RFP.**

1. Insert the list of qualifications that the Board developed.

2. Include the following information:

- The deadline for responses to be submitted
- The location (address or email) where responses should be sent
- A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
- Significant information about the District (see Board policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals)
- The scope of work, e.g., "The Board Attorney will provide legal advice concerning [*typical duties, specific duties, excluded duties*]."
- Qualifications
- Details about interviews and presentations

3. Specify what responders must include in their responses, such as the following:

- Cover letter, complete name, address, and legal structure (if the responder is a law firm)
- The individuals who prepared the response, including their titles
- If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
- A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
- A summary of the responder's relevant experience representing public schools
- A writing sample
- An assurance that the responder meets the RFP's qualifications
- References including current or past clients

☐ **Announce the RFP.**

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail or email it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the ICSA is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Ill. State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert District's name] School Board Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve either *at will* or from the date of appointment to [date]. The length of the appointment is at the Board's discretion.
4. State the School District's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned by [certain time and date] to [name and title of person receiving applications].

☐ **Receive and manage responses to the RFP.**

1. Review Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

☐ **Develop interview questions if the Board interviews attorneys or law firms.**

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
 - What do you see as your role as Board Attorney?
 - How many other school districts do you currently represent?

- Did you bring a written agreement for legal services, engagement letter, or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services, engagement letter, or a retainer agreement.

☐ **Develop an interview protocol.** Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP. See 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:

- Introduce Board members to the responder
- Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney
- Describe the District's philosophy or mission statement
- Describe the Board Attorney position by reviewing the RFP
- Begin asking the interview questions (see *Develop interview questions*, above)
- Ask the responder whether he or she has any questions for the Board
- Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision

☐ **Conduct a reference check and other background investigation(s).**

1. The Board President may perform this check or direct the Superintendent to:
 - Check the ARDC's master roll of attorneys as "Authorized to Practice Law" (To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/Lawyer/Search.)
 - Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen
 - If disciplinary actions are listed, ask the attorney or law firm for more information
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

☐ **Enter into a written agreement or engagement letter with the selected attorney or law firm.**

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAO 14-02).
2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement and/or a retainer agreement (**Note:** Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services or an engagement letter that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.)
 - The appropriate scope of services
3. Review the written contract or memorialized relationship (*agreement for legal services or engagement letter*) for these provisions:
 - Fee arrangement
 - Scope of services

- Which attorneys will be providing legal services
- A statement that the Board controls all legal decisions
- A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it
- Board's right to terminate the services of the attorney and law firm at any time for any reason

4. Approve the *agreement for legal services or engagement letter* during an open Board meeting.

☐ **Announce the appointment to District staff and community.**

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
 - The Board appointed [attorney's name or law firm name] as the Board Attorney
 - The appointment will begin on [date] for [length of time]
 - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner, e.g., "[Attorney or lawfirm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge."

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The Board of Education's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of their gross salary. [PRESSPlus1](#)

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive calendar days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

PRESSPlus 1. 105 ILCS 5/22-96, added by P.A. 103-46 and amended by P.A. 103-564, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those areas. The law also requires educators in these areas to obtain short-term approval if they are not licensed in the content area, or, if no short-term approval is available, they must meet criteria specified by the Ill. State Board of Education (ISBE). Educators must obtain an endorsement in the area being taught prior to the end of the short-term approval period to continue to maintain the educator's employment for subsequent school years. In the alternative, educators do not need to be licensed, obtain short-term approval, or meet other ISBE requirements if they meet the requirements of Title 23 of the Illinois Administrative Code except for Section 1.710. **Issue 115, June 2024**

5:290 Employment Termination and Suspensions

Resignation and Retirement [PRESSPlus1](#)

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any reason, subject to State and federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the Board of Education consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by [325 ILCS 5/](#).

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow [Sections 10-22.34c](#) (outsourcing non-instructional services) and [10-23.5](#) (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

5:310 Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, [29 U.S.C. §201](#) *et seq.*, and (2) are not represented by an exclusive bargaining representative. [PRESSPlus1](#)

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.
