Agenda #

Staff/Administrator: John George

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Requesting approval of contract with Boys and Girls Club for middle school alternative education program for the 2010-2011 school year.

Provide history/background information on your proposal.

This renewed partnership has proven to be very successful. Working in close collaboration with the Boys and Girls club, students are placed into the program for primarily short-term interventions. In almost all cases, students are able to successfully transition back to their home school in the regular-ed setting. The goal with placements at Boys and Girls Club is to provide a short-term intervention with students BEFORE their behavior becomes so severe that multiple suspensions or an expulsion become necessary. The 10 "slots" will be available to all middle schools. The principals will work together to determine how to maximize the use of the "slots".

List the advantages of your proposal:

Provide another and distinct alternative target toward individual students and their needs.

List possible disadvantages of your proposal:

Cost to the district.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
