**RESOLUTION RELATING TO INCREASING THE GENERAL EDUCATION
REVENUE OF THE SCHOOL DISTRICT, APPROVING A CAPITAL PROJECT
LEVY AUTHORIZATION TO FUND TECHNOLOGY AND CALLING AN
ELECTION THEREON**

BE IT RESOLVED by the School Board of Independent School District No. 883, State of Minnesota, as follows:

1. The School Board hereby determines and declares that it is necessary and expedient for the School District to increase its general education revenue by \$633 per adjusted pupil unit. As provided by law, the ballot question must abbreviate the term "per adjusted pupil unit" as "per pupil." The additional revenue will be used to finance school operations and the property tax portion thereof will require an estimated referendum tax rate of approximately 0.05193% of the referendum market value of the school district for taxes payable in 2026, the first year it is to be levied. The proposed referendum revenue authorization would be applicable for ten (10) years and increase each year by the rate of inflation commencing with taxes payable in 2027, unless otherwise revoked or reduced as provided by law. For this purpose, the rate of inflation shall be the annual inflationary increase calculated under Minnesota Statutes, Section 126C.17, subdivision 2(b). The question on the approval of this referendum revenue authorization shall be School District Question 1 on the School District ballot at the special election held to approve said authorization.

2. The School Board hereby determines and declares that it is also necessary and expedient for the School District to also submit a capital project levy authorization to fund technology to the voters for their approval. The capital project levy authorization will be in the amount of 1.136% times the net tax capacity of the School District. The proposed capital project levy will raise approximately \$250,000 for taxes payable in 2026, the first year it is to be levied,

and would be authorized for ten (10) years. The estimated total cost of the projects to be funded by the proposed capital project levy authorization during that time period is approximately \$2,500,000. The additional revenue from the proposed capital project levy authorization will provide funds for technology to enhance safety and security, classroom and building technology, digital curriculum, technology infrastructure and network improvements, device replacement, and to pay the costs of technology related personnel and training. The program will be commenced prior to November 1, 2030, which date is not more than five (5) years from the date of the special election authorizing the approval of the capital project levy authorization. The question on the approval of this capital project levy authorization shall be School District Question 2 on the School District ballot at the special election held to approve said authorization. The passage of School District Question 2 shall be contingent upon the passage of School District Question 1.

3. The ballot questions specified above shall be submitted to the qualified voters of the School District at a special election, which is hereby called and directed to be held on Tuesday, November 4, 2025, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m. This date is a uniform election date specified in Minnesota Statutes, Section 205A.05.

4. Pursuant to Minnesota Statutes, Section 205A.11, the School District's combined polling place and the precincts served by the polling place, as previously established and designated by a resolution of the School Board, is hereby designated for this special election. In the event a municipality located in whole or in part within the boundaries of the School District will also be conducting a municipal election on November 4, 2025, any affected School District voters will vote at their respective municipal polling locations and not the School District's combined polling place.

5. The Clerk is hereby authorized and directed to cause written notice of said special election to be given: (i) to the county auditor of each county in which the School District is located, in whole or in part, at least eighty-four (84) days prior to the date of said election; and (ii) to the Commissioner of Education at least seventy-four (74) days prior to the date of said election.
