Code: IKF
Adopted: 5/14/12
Revised/Readopted: 6/12/17; 6/10/19; 3/14/24
Orig. Code: IKF

Graduation Requirements**

The Board will establish graduation requirements for the awarding of a high school diploma, a modified diploma, an extended diploma and an alternative certificate which meet or exceed state requirements.

A student may satisfy graduation requirements in less than four years. The district will award a diploma to a student fulfilling graduation requirements in less than four years if consent is received by the student's parent or guardian, by the student if the student is 18 years of age or older or emancipated.

Ashland High School credits correspond to one half of a standard Carnegie Unit, or 60 hours of instructional time.

The district shall grant a waiver for Ashland High School diploma requirements beyond any required for an Oregon Standard Diploma to any student who, at any time from grade 9 to 12, was:

1. A foster child¹;
2. Homeless;
3. A runaway;
4. A child in a military family covered by the Interstate Compact on Educational Opportunity for Military Children;
5. A child of a migrant worker; or
6. Enrolled in the Youth Corrections Education Program or the Juvenile Detention Education Program.

For any student identified above, the district shall accept any credits earned by the student in an educational program² in this state, applying those credits toward the state requirements for a diploma if the credits satisfied those requirements in that²educational program in this state.

¹ As defined in ORS 30.297.

² "Educational program in this state" means an educational program that is provided by a school district, a public charter school, the Youth Corrections Education Program or the Juvenile Detention Program, or funded as provided by ORS 343.243 for students in a long term care or treatment facility described in ORS 343.962 or a hospital identified in ORS 343.261.

Ashland High School Diploma

An Ashland High School diploma will be awarded to students in grades 9 through 12 who complete a minimum of 50 credits which include all the requirements of the Oregon Standard Diploma and:

1. Of the six credits required of science, two credits must be life science and two credits must be physical science.
2. One credit of career education;
3. One credit in community service.

The district shall offer students credit options provided the method for obtaining such credits is described in the student's personal education plan and the credit is earned by meeting requirements described in Oregon Administrative Rule (OAR) 581-022-2025.

Oregon Standard School Diploma

An Oregon Standard high school diploma will be awarded with administrative approval to students in grades 9 through 12 who complete a minimum of 48 credits which include at least:

1. Eight credits of Language Arts (shall include the equivalent of one unit in written composition);
2. Six credits of mathematics (shall include one unit at the Algebra I level and two units that are at a level higher than Algebra I);
3. Six credits of science;
4. Six credits of social sciences (including history, civics,³ geography and economics (including personal finance));
5. Two credits in health education;
6. Two credits in physical education; and
7. Six credits in career and technical education, the arts or world languages⁴ (units shall be earned in any one or a combination).

The district shall offer students credit options provided the method for obtaining such credits is described in the student's personal education plan and the credit is earned by meeting requirements described in Oregon Administrative Rule (OAR) 581-022-2025.

³ Civics becomes a half-credit requirement beginning on January 1, 2026 (ORS 329.451).

⁴ "World language" includes sign language, heritage language and languages other than a student's primary language.

To receive an Ashland High School diploma, Oregon Standard diploma, in addition to credit requirements, as outlined in OAR 581-022-2000 a student must:⁵

1. Develop an education plan and build an education profile;
2. Demonstrate extended application through a collection of evidence;
3. Participate in career-related learning experiences.

Modified Diploma

A modified diploma will be awarded only to students who have demonstrated the inability to meet the full set of academic standards established by the State Board of Education for a diploma while receiving reasonable modifications and accommodations. A modified diploma may only be awarded to a student who meets the eligibility criteria below and other criteria, if applicable, outlined in OAR 581-022-2010(3):

1. Has a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers; or
2. Has a documented history of a medical condition that creates a barrier to achievement.

Having met the above eligibility criteria, a modified diploma will be awarded to students who, while in grade nine through completion of high school, complete 48 credits which shall include:

1. Six credits in Language Arts;
2. Four credits in mathematics;
3. Four credits in science;
4. Four credits in social sciences (which may include history, civics, geography and economics (including personal finance));
5. Two credits in health education;
6. Two credits in physical education; and
7. Two credits in career technical education, the arts or a world language (units may be earned in any one or a combination).

Students may earn additional credits to earn a modified diploma pursuant to OAR 581-022-2010.

In addition to credit requirements as outlined in OAR 581-022-2010, a student must:

1. Develop an education plan and build an education profile; and

⁵ The proficiency in Essential Skills requirement has been waived and is not a condition of receiving a high school diploma during the 2021-2022, 2022-2023 or 2023-2024 school year (Senate Bill 744, 2021).

2. Demonstrate extended application through a collection of evidence.

Districts may make modifications to the assessment for students who seek a modified diploma when the following conditions are met:

1. For a student on an Individualized Education Program (IEP) or Section 504 plan, any modifications to work samples must be consistent with the requirements established in the IEP or 504 plan. Modifications include practices and procedures that compromise the intent of the assessment through a change in learning expectations, construct, or content that is to be measured, grade level standard, or measured outcome of the assessment. This means that IEP or 504 school teams responsible for approving modifications for a student's assessment may adjust the administration of the assessment and/or the assessment's achievement standard.
2. For a student not on an IEP, an or 504 plan modifications to work samples must have been provided to the student during their instruction in the content area to be assessed and in the year in which the student is being assessed and modifications must be approved by the school team that is responsible for monitoring the student's progress toward the modified diploma.

Students not on an IEP or a Section 504 Plan may not receive a modified Smarter Balanced Assessment.

A student's school team shall decide that a student should work toward a modified diploma no earlier than the end of grade 6 and no later than two years before the student's anticipated exit from high school. A student's school team may decide to revise a modified diploma decision.

A student's school team may decide that a student who was not previously working towards a modified diploma should work towards one when the student is less than two years from anticipated exit from high school if the documented history has changed.

Beginning in grade five or beginning after a documented history to qualify for a modified diploma, the district shall annually provide to the parents or guardians of the student, written notice about the availability and requirements of a modified diploma.

Extended Diploma

An extended diploma will be awarded only to students who have demonstrated the inability to meet the full set of academic content standards adopted by the State Board of Education for a diploma while receiving modifications and accommodations. To be eligible for an extended diploma, a student must:

1. While in grade nine through completion of high school, complete 24 credits, which may not include more than six credits in a self-contained special education classroom and will include:
 - a. Four credits of mathematics;
 - b. Four credits of language arts;
 - c. Four credits of science;
 - d. Six credits of history, geography, economics or civics;
 - e. Two credits of health;
 - f. Two credits of physical education; and
2. Two credits of the arts or a world language.
- 3.

4. Have a documented history of:
 - a. An inability to maintain grade level achievement due to significant learning and instructional barriers;
 - b. A medical condition that creates a barrier to achievements; or
 - c. A change in the student's ability to participate in grade level activities as a result of a serious illness or injury that occurred after grade eight.

Beginning in grade five or beginning after a documented history to qualify for an extended diploma, the district shall annually provide to the parents or guardians of the student, written notice about the availability and requirements of an extended diploma.

Certificate of Attendance (Formerly Alternate Certificate)

Certificates of Attendance will be awarded to students who do not satisfy the requirements for a diploma, a modified diploma or an extended diploma if the students meet minimum requirements established by the district. **Certificates of Attendance** will be awarded based on individual student needs and achievement.

Beginning in grade five or beginning after a documented history to qualify for a **Certificate of Attendance** the district shall annually provide to the parents or guardians of the student, written notice about the availability and requirements for a **Certificate of Attendance**.

A General Equivalency Diploma is not a Certificate of Attendance or diploma for the purpose of this policy.

Other District Responsibilities

The district will ensure that students have onsite access to the appropriate resources to achieve a diploma, a modified diploma, an extended diploma or a **Certificate of Attendance** at each high school. The district will provide age appropriate and developmentally appropriate literacy instruction to all students until graduation.

The district may not deny a student the opportunity to pursue a diploma with more stringent requirements than a modified diploma or an extended diploma for the sole reason the student has the documented history listed under the above modified diploma or extended diploma requirements. The district may award a modified diploma or an extended diploma to a student only upon the written consent of a student who is emancipated or who has reached the age of 18 at the time the modified or extended diploma is awarded, or the student's parent or guardian. The district shall receive the written consent during the school year in which the modified diploma or an extended diploma is awarded.

A student shall have the opportunity to satisfy the requirements for a modified diploma, an extended diploma or a Certificate of Attendance in either 4 years after starting the ninth grade, or until the student reaches the age of 21, if the student is entitled to a public education until the age of 21 under state or federal law.

A student may satisfy the requirements for a modified diploma, an extended diploma or a **Certificate of Attendance** in less than four years but not less than three years. To satisfy the requirements for a modified diploma, an extended diploma or a **Certificate of Attendance** in less than four years, the student's parent or guardian or a student who is emancipated or has reached the age of 18 must provide written consent which clearly states the parent, guardian or student is waiving the fourth year and/or years until the student the

student reaches the age of 21. A copy of the consent will be forwarded to the district superintendent who will annually report to the Superintendent of Public Instruction the number of such consents.

A student who receives a modified diploma, an extended diploma or a **Certificate of Attendance** will have the option of participating in a high school graduation ceremony with the student's class.

A student who receives an extended diploma or a **Certificate of Attendance** shall have access to individually designed instructional hours, hours of transition services and hours of other services that are designed to meet the unique needs of the student and when added together provide a total number of hours of instruction and services that equals at least the total number of instructional hours that is required to be provided to students who are attending a public high school, unless reduced by the IEP team.

The district will award to students with disabilities a document certifying successful completion of program requirements. No document issued to students with disabilities educated in full or in part in a special education program shall indicate that the document is issued by such a program. When a student who has an IEP completes high school, the district will give the student an individualized summary of performance.

Eligible students with disabilities are entitled to a Free Appropriate Public Education (FAPE) until the age of 21, even if they have earned a modified diploma, an extended diploma, a Certificate of Attendance, or completion of a General Education Development document. The continuance of services for students with disabilities for a modified diploma, an extended diploma or a Certificate of Attendance is contingent on the IEP team determining the student's continued eligibility and special education services are needed.

Students and their parents will be notified of graduation and diploma requirements.

The district will review graduation requirements biennially in conjunction with the secondary school improvement plan. Graduation requirements may be revised to address student performance.

The district may not deny a diploma to a student who has opted out of statewide assessments if the student is able to satisfy all other requirements for the diploma. Students may opt out Smarter Balanced or alternate Oregon Extended Assessment by completing the Oregon Department of Education's Opt-out Form¹ and submitting the form to the district.

The district will issue a high school diploma pursuant to Oregon law (ORS 332.114) to a veteran if the veteran resides within the boundaries of the district or is an Oregon resident and attended a high school of the district, or to a deceased veteran upon request from a representative of the veteran, if the deceased veteran resided within the boundaries of the district at the time of death or was an Oregon resident at the time of death and attended a high school of the district.

The act of student-initiated test impropriety is prohibited. The district shall establish conduct and discipline consequences for student-initiated test impropriety. "Student-initiated test impropriety" means student conduct that is inconsistent with the *Test Administration Manual* or accompanying guidance; or results in a score that is
