

FIRST AMENDMENT TO School Resource Officers Agreement

This FIRST AMENDMENT TO THE SCHOOL RESOURCES OFFICERS AGREEMENT (“First Amendment”) is made on the 10th day of February, 2026, between the City of Roseville (“City”), and the Roseville Area School District, Independent School District No. 623 (hereinafter “School District”).

WHEREAS, CITY entered into a School Resources Officers Agreement on October 28, 2025 (the “Original Agreement”), with School District; and

WHEREAS, the Original Agreement does not comply with the Police Officer Standards and Training Board model policy which requires that any School Resource Officer agreement contain a provision related to data practices and reads as follows:

The contract between the school district and the law enforcement agency must address data practices policies and procedures. These procedures and policies shall identify the education records that can be shared with the law enforcement agency generally and with the SRO specifically and for what purposes. Law enforcement records that contain student and parent data that are maintained by the law enforcement agency shall be governed by the agency’s data practices policy and in compliance with the requirements of the Minnesota Data Practices Act, MN Statutes, Chapter 13, and MN Rules 1205.0100 and 1205.2000.

and

WHEREAS, the Parties wish to amend the Original Agreement to add provisions related to data practices.

NOW, THEREFORE, in consideration of the above recitals, which are expressly incorporated herein, and for other good and valuable consideration, the receipt and sufficiency which is hereby acknowledged, the City and the School District agree to amend the Agreement as follows:

1. The Original Agreement is amended to add paragraph 8 which reads as follows:

All government data that are collected, created, received, or maintained as a result of this Agreement will be handled in accordance with all applicable federal and state laws, including, but not limited to, the Minnesota Government Data Practices Act (“MGDPA”). The parties recognize that educational data maintained by the School District are protected under the MGDPA and under the Family Educational Rights Privacy Act (“FERPA”), including its implementing regulations at 34 C.F.R. part 99. The parties acknowledge that unless the School District is reporting a crime or another statutory exception applies, the School District may not disclose private educational data to an SRO without the written consent of the student’s parent or guardian (or the written consent of the student if the student is eighteen years of age or older); a lawfully issued subpoena; or a

court order. The parties further acknowledge, however, that both MGDPA and FERPA generally allow for school officials and law enforcement (including the SRO) to discuss the specifics of a situation, including pertinent details that may otherwise be private, when an imminent safety issue is present. Nothing in this Agreement may be construed to modify the responsibilities of either party under the MGDPA or the School District's responsibilities under FERPA.

2. All other provisions of the Original Agreement remain in full force and effect.

IN WITNESS WHEREOF, the undersigned parties have entered into this Agreement as of the date set forth above.
