****Final FY21 Adopted Budget to be presented for approval at the June 16 school board meeting.**

Review of Budget Goals that started in FY2020 and continuing to FY2021:

1 Strive for Fiscal Stability

District investment of \$500,000 in the unreserved fund balance.
BUDGET CHALLENGES may not make this possible in FY21.

2 Alignment with District Goals & Strategies

Multiple meetings to gather input from Program Directors, Building Administrators, Continuous Improvement Teams (CIT), and Administration on budget priorities.

3 Utilize Revenues Effectively

Due to financial limitations, local, state, and federal revenue uses were reviewed and multiple projections were used to determine preliminary estimates.

4 Program Based Budget Layers

Used data from budget coding to identify core expense areas and how each are funded.
