Addition information

PBMAS is concluding for the 2009-2010 school year.

The SpEd staff is busy learning the new Special Education Manager program we are using for ARD's. Thus far all participants seem to like seeing the ARD paperwork on the screen via the projector. With changes and best practice our SpEd teachers are spending considerably more time preparing for ARD's.

We have had three referrals since school began, all three students have received intervention during the previous school year.

It is wonderful to be back at BISD and working in such a great place.

Please feel free to contact me with any questions.

Respectfully,
Melanie Jones
