Homedale Board of Trustees,

The Homedale Football team had another great season. Unfortunately they came up a little short in the championship game versus Sugar Salem. It was a great game and all the Trojan fans have a lot to be proud and thankful for.

Congratulations to Coach Holtry for being selected as the SRV coach of the year!

Winter sports are in full swing.

#### Girls Basketball-

The Varsity Girls Basketball team is currently 1-3. They have a total of 32 girls out program wide. The frosh team has only gotten to play two games due to some of the teams we have played thus far only have a JV and Varsity team. At this point we are just happy to get games in. The varsity has yet to play a game with all players present due to a variety of different reasons. They start league play this Friday at home versus Fruitland.

#### Boys basketball-

The boys basketball season started last week with two games. Both games for the varsity went to overtime. Their record is 1-1. They are almost two weeks behind due to the success of the football program. The JV team is also 1-1 and the Frosh team is 0-2. They have two more games this week.

#### Wrestling-

The Wrestling team has its first competition on Wednesday of this week in Marsing. Coach Levinski is excited for the season. Their numbers are up from last year. At last count they have 27 kids out.

Looking forward to this Winter sports season!!!

**Idaho Stage 2:** It has been difficult on everyone since Idaho moved to stage 2. Since that decision no fans have been allowed at sporting events. Obviously we want to have fans at our events, but as of now we cannot. Due to that we have no gate money coming in, which means we are losing money every home event to pay for refs and a scoreboard operator. We are used to this with spring sports, but have never had to do this for winter sports. Hopefully we have enough money in our athletic account to last for both the winter and spring sports season.
