Re: Approve Part-Time Kitchen Manager - Leidy Vaca-Moreno

Recommendation:

It is the recommendation of the Superintendent to approve Leidy Vaca-Moreno as a part-time kitchen manager at the hourly rate of \$20 for approximately 18 hours per week.

Background Information:

Leidy spent five years as a food service director for Ceres. She helped organize our menus and lead operations as we transitioned from Jan Lee's leadership. She has a distinct understanding of food service operations and an appreciation of the unique nature of our district. We look forward to working with her.
