

This agreement is entered into pursuant to the authority granted by Chapter 791 of The Texas Government Code and Chapter 8 of The Texas Education Code, by and between:

**I. Term of Contract**

The term of this contract shall be from the date of acceptance by authorized Graham ISD personnel through July 31, 2017. The participating party(ies) may with mutual agreement among all other participating parties, rescind the Commercial Purchasing component of this contract with a ninety (90) day written notice. If participating in the Commodity Processing component of this contract, the participating party is required to fulfill the contractual obligation until all processed commodity commitments are received.

**II. General Provisions**

Participating Education Service Centers will organize and administer The West Texas Food Service Cooperative (Cooperative) with Region 17 Education Service Center acting as the fiscal agent (Coordinating Center). Authority for such services is granted by Title 7, Chapter 791 Interlocal Cooperation Contracts Act of the Texas Government Code. The goal of the Cooperative is to obtain substantial savings on specified items for member districts through volume purchasing.

**A. ROLE OF REGION 17 EDUCATION SERVICE CENTER (COORDINATING CENTER)**

1. Provide for the organizational and administrative structure of the program.
2. Provide for staff time necessary for efficient operation of the program.
3. Host Regional Advisory Board meetings for food service purchasing and commodity processing components.
4. Provide onsite and/or technology based regional and/or area trainings as requested/necessary.
5. Initiate and implement activities related to the bidding and vendors selection process, in accordance with competitive bidding procedures for Texas public schools.
6. Review annual fiscal report with member districts at a Fall Advisory Board Meeting.
7. Provide districts with Service Report/Product Comment Forms to address quality assurance and vendor complaint issues more consistently.
8. The Cooperative will not be held accountable for product warranties, product qualities, failure to deliver by vendor(s), or failure of payment to vendor(s) by participating members.

**B. ROLE OF THE PARTICIPATING DISTRICT:**

1. Commit to participate in the Cooperative by resolution of the governing body.
2. Designate a contact person for the Cooperative.
3. Return all necessary forms in a timely fashion with appropriate signatures.
4. Abide by directives and decisions of the Regional Advisory Boards and Coordinating Center.

7. Accept shipments of products in accordance with standard HACCP delivery procedures and the Cooperative delivery agreements.
8. Pay vendor(s) as per awarded terms and conditions unless prior arrangements have been made between the participating member and the vendor(s). All deliveries will be made in accordance with the specified delivery schedule in each bid document.
9. Notify WTFSC of issues regarding vendors and product quality by submitting the Service Report/Product Comment Forms as necessary.

**III. Contract Service Fees**

The United States Department of Agriculture does not allow federal funds received by ESC Child Nutrition components to be used to support purchasing cooperatives. Therefore, the Cooperative is a totally self-funded entity. Through the Commercial Purchasing, to provide this revenue, a fee of .85% of each district purchase is charged through a Vendor Participation Fee. This fee is collected directly from the awarded vendors. Through the Commodity Processing bids, a per-truckload fee of \$500.00 is charged as an Administrative Processing Fee to the manufacturer. All fees are used to cover expenses related to the administration and direct operation of the Cooperative. Districts, even though they may incur these fees indirectly, pay no direct fee to the Cooperative for participation.
