The CESA 11 Board of Control met Thursday, January 10, at the office in Turtle Lake and via zoom. Following is a summary of the meeting.

1. The Blue Ribbon Committee on School Funding final report has been released. Recommendations are now subject to action by the governor and Legislature.
2. The February CESA 11 PAC meeting will include the new State Superintendent and a panel of area legislators.
3. The north restrooms (staff side) will be remodeled starting in March.
4. The 2019-2020 Services Catalog is being prepared; the catalog will be in a paperless format.
5. Grant approval for 2019-2020 is looking good—of \$11.8 million applied for, \$10.0 million has been granted. Most of the pending grants are due to timing and will be awarded. Head Start relies heavily on grant funding.
