Neah-Kah-Nie School Board,

I am requesting permission to take a group of track athletes to a throwing camp at Heritage High School in Vancouver, Washington. Scott Haley and Sam Crouser, distinguished coaches and former athletes in the Track and Field community, are putting on the camp. The camp is Saturday, April 1st, from 9am to 3pm, and we will be commuting taking the district van. I have five students signed up at the moment.

The money for this trip will come from our NKNHS Track and Field Club fund, but as you know, I need board and superintendent approval to leave the state.

Sincerely,

James Billstine
