# Purpose of LOCS' SEAB

---

The Lake Orion Community Schools (LOCS) Sexual Education Advisory Board has been charged with the following responsibilities:

- Review and recommend instructional materials, guest speakers, and programs which are part of the comprehensive sexual health program.
- On a regular basis, review methods of instruction and assist in evaluation of the comprehensive sexual health program, reporting to the LOCS Board of Education as required.
- Work closely with LOCS school administration in the implementation of this program.
- Review policy and/or state guidelines and make recommendations to the LOCS Board of Education for needed changes.
- Perform other duties as suggested by the Sexual Education Chairperson, LOCS Board of Education, or the LOCS Superintendent.

A reasonable effort shall be made to ensure that the advisory board shall consist of members representing a cross-section of community viewpoints.

## What are the guidelines for sex education in Michigan?

Sex ed looks different in every school district in Michigan. Curriculum is decided at the district level.

### REQUIRED

#### Discuss Abstinence

as the only 100% effective method of preventing STIs and pregnancy

#### Refusal Skills

like saying no to sex and not pressuring someone into unwanted touching or sexual activity

#### Healthy Relationships

what they look like and how to recognize signs of abuse

#### State Laws

regarding sexuality, age of consent, and teen parenting

### ALLOWED

Anything approved by your district's SEAB

### PROHIBITED

#### Contraception Distribution

is not permitted on school grounds

You can teach about condoms, but you can't give them to your students

#### Abortion

cannot be taught as a method of family planning and abortion referrals cannot be made on school grounds

# Updates to LOCS Sexual Education
