RE: Food Service Salaries - 2014-15

DATE: July 19, 2014

We currently have 47 food service employees, inclusive of the ten managers and 37 food servers across our 10 buildings. Their aggregate salary cost for 2013-14 totaled \$338,629.31. We have completed the restructuring of both the ESP and TA contracts and are currently in negotiations with our teaching staff. The food service staff is a non-unionized category of staff thus no formal negotiation sessions are required with this group.

Steve and I have discussed this recommendation and are requesting a 2% salary increase for this group which would total \$6,772.59, if approved by the Board of Education.

Thank you for your consideration of this request.
