Dear Dr. Pierson,

Please be advised that I have accepted a position outside of your district and accept this as my notice of resignation. I am returning the school building FOB and classroom key which is in my possession to you on January 5, 2017.

It's been a pleasure to work for the district and please keep me in mind if any teaching positions within my qualifications become available as I would be most interested.

Thank you.

Sincerely,

Michael Sneideraitis
