

**Browning Middle/Browning High School/WBH GEAR UP
April 2021 Board Report**

Assessments:

As a GEAR UP school, we are required to administer the following tests: ACT (Juniors and Seniors), PreACT (8th Grade, Sophomores), and ACT Mosaic (7th Grade, Freshman and Seniors) – a social emotional learning assessment. Following is an update on each assessment:

ACT

Test Date: 4/6/21

Students Tested: 54 11th and 12th grades

Make-Up Day: 4/20/21

PreACT – 10th

Test Date: 4/8/21

Students Tested: 27 10th graders

Make-Up Day: 4/21/21

ACT Mosaic – 9th

Test Date: 4/12/21

Students Tested: Waiting for completion data since it was an on-line test

Remaining Assessments:

PreACT – 8th: Scheduled for 4/23/21

ACT Mosaic – 12th: Scheduled for 4/26 and 4/28

ACT Mosaic – 7th: Scheduled for 4/27 and 4/28

Collaboration Projects:

We have been working closely with Blackfeet Community College over the last couple of months to provide job training for our BHS students to get them workforce ready. This summer, BCC will be offering a Certified Nursing Assistant's training. We are also trying to secure funding for a Flagger training as well.

GEAR UP Surveys:

This month we are collecting surveys from our students, parents and staff which is a requirement of our GEAR UP grant. Once we receive the data we will share out with.

College Freshmen Check-in:

We completed 2 college check-ins this month: MSU (was able to meet and take to lunch and dinner 2 of the 5 students); UM/Missoula College/SKC (met with and fed 3 of the college students). Plan is to try to catch up with remaining students to do check-ins, as well as other

colleges around the state. Since most schools will finish up at the end of this month or early May, we will likely not be able to travel to those locations.

Purchase of NEPRIS License:

We purchased this on-line platform that gives us access to career professionals from all over the U.S. Our primary goal is to create a virtual Career Day at both BMS and BHS as well as make this resource available to all staff that can schedule their own guest speakers. Nathan has also been utilizing this resource in his GEAR UP Google classroom at BMS.
