Distinguished Board Members,

In November, the Technology Department submitted a request for proposals for 200 Lenovo ThinkCentre Tiny Desktop computers.

We publicly opened the bids on December 18, 2025. The Technology Department evaluated the bids on the 18th. All thirteen bids are contained in the board materials with the bid analysis.

After careful review and deliberation, we found Y&S Technologies to be the most responsive and responsible bidder.

Our recommendation is for the Nye County School District Board of Trustees to approve the bid for 200 computers from Y&S Technologies.

The recommended bids come to a total of \$173,800.00, which is within the portion of the technology budget reserved for our five-year refresh cycle.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Williams", with a long horizontal flourish extending to the right.

Robert Williams
