SITE COUNCIL 5/25/17

## Members:

Darrell Erb Jr. – Principal  
Melisa Smock- Classified  
Jean Hall- Grandparent  
Michelle Stone- Teacher  
Ashley Wolfe- Sherman- Parent (absent)

## Old Business:

Site Council reviewed School Improvement Plan. Site Council reviewed recent events. Site Council discussed how recent events at the school (Science plus night) indeed matched the school improvement plan. Science plus night was a great event. The turnout was good, we had great parent involvement. We had Science works and the caterpillar bus here doing hands on with students. Would like to do more hands on, for future reference.

## New Business:

The Science Hands on fundraiser at the Hall's raised \$2203.00. The fundraiser was a great success. We had a few of the Applegate Strings there playing music. The LIONS were they serving hotdogs and drinks. A fun time was had by all. Applegate can explore curriculum for k-5. Kellie Halsted has recently attended training. The goal for Applegate will be to have all grades having more hands on learning for science. The money that was raised will be a great start.

14188 Hwy 238 Applegate Or 97530

Site Council discussed School Improvement Plan ideas for next year. Site Council discussed having a section in the school newsletter next year that will have advice on how parents can help kids at home.

Michelle Stone would like to have parents set up on remind. This would be a good way for communication from staff to families.
