Counting Transcript Credits for Movement on the Salary Schedule

Only graduate or upper division units (400+) beyond the initial Bachelor's degree are allowed for movement on the salary schedule.

~~Non-transferable units may only be allowed for credit by obtaining prior approval of the building principal and director of human resources using Form HR217.~~

~~Upon being hired, if transcripts are below the level of 400 classes, but are germane to what the licensed teacher will be teaching, it will be at the discretion of the district whether or not to grant those credits.~~
