Dear Browning Public Schools,

I, Whitney Lucke, am formally giving notice that I will not be completing the 2023-2024 school year. I realize the bind that this will put BHS in, but after a lot of consideration, I need to put my own health first.

Class loads at Browning High School are uncomfortably large. New students are being added into my classes everyday, and I have not heard of any ideas of how to bring relief to my department. This situation has caused me to feel burnt out within the first 3 weeks of school. Cody and I are hoping to start a family. As you know, stress is not good for this, and stress is the main feeling I have currently.

I truly love my students, coworkers and the administration at BHIS. I am vry sorry for the problems this will cause. As a teacher who thought she would be a "For Lifer", School Board, please consider ways to bring teachers in. The secondary schools are hurting. There are more teachers who are also considering changes because of class sizes and housing issues.

My final day available to work is October 13, 2023.
