Pendleton OSBA Fall Listening Session, Wednesday, October 20th – 5:00-7:00 p.m.

These are questions that will be discussed at the listening session.

- What are the biggest leadership challenges you are facing in your district and community?
- What is a lesson you have learned that we should share with your fellow board members or superintendents across the state?
- How can OSBA support your work? What services should OSBA improve upon or begin providing?
- Where do you see achievement gaps among your students, and what can OSBA provide to support your diversity, equity, and inclusion work?
