West Allis Central Wrestling

West Allis Central Wrestling isn't just about what happens on the mat – it's about preparing athletes for life beyond it. Rooted in four powerful principals, this program builds resilience, confidence, and a relentless work ethic that extends far beyond competition:

1. I am thankful for the opportunity to wrestle
2. I am aggressive and relentless
3. I have no fear of losing or making mistakes
4. I never, ever give up.

These athletes push themselves every day, not just for their own success, but to honor those who came before them and inspire those who will follow. This is WAC wrestling. This is legacy.
