Background Information

COVID Data

The posted COVID Data Sheet shows data as of May 10th. This sheet will be updated on May 17th after the weekly meeting with county officials.

Safe Learning Plan

The Safe Learning Plan—including Executive Orders 20-19, 20-82, 20-94, and 20-95—will continue to be in full effect for the remainder of the 2020-21 school year. This means you should continue following the Safe Learning Plan until whenever the last teacher contact day is for your individual school district or charter school.

No COVID protocols or mitigation strategies will be changing in the district at this time. Students and adults still need to wear masks, stay distant from one another, wash hands, and stay home if there are symptoms or are a close contact to a positive person.

As a reminder, even if someone is fully vaccinated, he/she can still get and spread COVID. Those with COVID symptoms should stay home, report it to the school and the COVID team, and get tested.

Prom and Graduation

George Nemanich will share plans to address COVID procedures during prom and graduation.

Recommendation

There are no recommended changes to current COVID-related policies or practices.
