Re: Classroom HDMI Installation Purchase Recommendation

On April 24, sealed proposals were received for the Classroom HDMI Installation RFP.

This RFP was conducted in accordance with the work identified in the approved 2019-20 Technology Plan. The project will install cabling to support a digital video/audio (HDMI) connection for projectors at Geneva High School and Western Avenue.

Midwest Computer Products, Inc is the recommended service provider.

The total amount of this recommendation is: **\$30,912**. This amount is within the planned budget for this project.
