Hello,

Please accept this as my official resignation from my EA position effective 1/27/25. It saddens me to do this, but I was offered a nursing position that I financially cannot afford to turn down. I would however like to stay on to sub after 1/27 when I'm able if that's a possibility, I'm just not sure how that process works.

Thank you,  
Natasha Girtz, LPN
