Instruction

Student Testing and Assessment Program

The MVSEC student assessment program provides information for determining individual student achievement and instructional needs; curriculum and instruction effectiveness; and school performance measured against student learning objectives and statewide norms.

The Executive Director or designee shall manage the student assessment program that, at a minimum:

1. Administers the State assessment system, known as the *Partnership for Assessment of Readiness for College and Careers (PARCC)*, to all students and/or any other appropriate assessment methods and instruments, including norm and criterion-referenced achievement tests, aptitude tests, proficiency tests, and teacher-developed tests.
2. Informs students of the timelines and procedures applicable to their participation in every State assessment.
3. Be uniformly applied to all students who are required to be tested, including: (a) students in a State approved transitional bilingual education or transitional program, and (b) students who have an Individualized Education Plan (IEP), subject to any modifications that may be required by an individual student's IEP.
4. Provides each student's parents/guardians with the results or scores of each State assessment. See policy 6:280, *Grading and Promotion*.
5. Utilizes professional testing practices.

Overall student assessment data on tests required by State law will be aggregated by the Member Cooperative and reported, along with other information, on the Member Cooperative's annual report card. All reliable assessments administered by the Cooperative and scored by entities outside of the Cooperative must be (1) reported to ISBE on its form by the 30th day of each school year, and (2) made publicly available to parents and guardians of students. Board policy 7:340, *Student Records*, and its implementing procedures govern recordkeeping and access issues.
