

School Board Meeting/Workshop:

February 5, 2014

Subject: Joint Community Education and Special Education Goal

Presenters: **Kim Carlson and Joy Carlson**

SUGGESTED SCHOOL BOARD ACTION:

Report only

DESCRIPTION:

This goal formalizes and expands the developing collaboration between Community Education and Special Education. Many families have their first introduction to the BHM Schools through their participation in one or both of these departments. We are looking to enhance effective and efficient operations and student academic growth and success.
