News from Mr. Regal

Hello Evergreen Families,

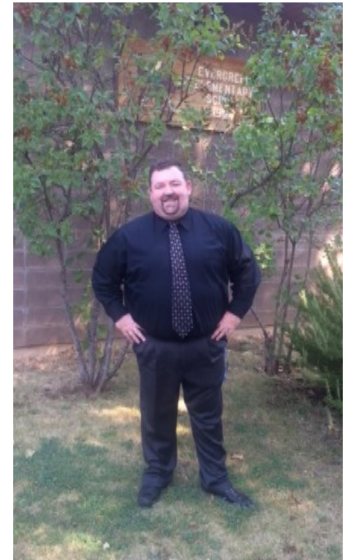

We will be finishing up our first 9 weeks of school on November 2nd and progress reports will be given to you at your parent/teacher/student conference on **November 20th or 21th**, depending on your scheduled time with your teacher. If you are not able to meet with your child's teacher, the progress reports will be sent home on November 27th with your child. ***Conferences are a time for teachers and parents to discuss your child academically, behaviorally, and socially. So, please try to make these conferences and if you are unable please communicate with your child's teacher about other options if necessary.***

The teachers and assistants have been continuing to do what is best for all kids in the classroom. Please remember this is a team effort and you can support your child's education by checking backpacks nightly for homework, notes from teachers, school flyers, etc. This will help keep the communication between home and school more fluid.

Also, please continue to have rich conversations with your student(s) at night about how their day was, what they learned, what was most interesting to them and why, etc. If you could ask them to use complete sentences and not just one word answers this would support what we are expecting of your student(s) during school hours.

Thanks for your continued support in the education of your child and/or children.

David Regal

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.
