

Community Education Report

Sep 18, 2024

Movie Nights:

- We hosted another movie night on September 9th and had repeat families that we saw in August along with some new faces. We anticipate attendance will continue to increase as the weather is less welcoming outside.
 - October Family Movie Night: Monday, October 21st - "Hotel Transylvania: Transformania"
 - Bonus Movie Night: Friday, October 25th - double feature, "Beetlejuice" & "Beetlejuice Beetlejuice"

Classes:

- Community Class, "Mocktails & Signs" is coming up Thursday, October 3rd at 6:00pm. Hardwater Lounge is hosting a class to teach a mocktail recipe and Lakes Area Custom will be holding a sign making class where participants can choose their own sign design when they register.
- Personal Finance Class, "Credit Reports & Scores" will be presented by Mid MN Fed Credit Union on Thursday, October 10th at 5:00pm in the HS Forum Room. This is a class that is being offered free of charge through funding MMFCU has available.
- Registration for both classes is available on the Community Education page on the website and is being promoted on social media and in the Courier.

Events:

- We are partnering with Cuyuna Lakes Chamber of Commerce and League of Women Voters to host and live stream two Candidate Forum events. Both nights will start at 6:00pm in the Mayberry Auditorium.
 - Tuesday, October 8th - County Commissioners & School Board Candidates
 - Thursday, October 10th - City Council and Mayoral Candidates

Facilities

- We just rolled out our new facilities and maintenance scheduling program, FMX. This program is much more user friendly and aesthetically pleasing than our previous program and will lead to cost savings and more robust productivity and usage data collection and reporting in the future. While we are actively ironing out wrinkles with the transition, so far all of the feedback as been positive. Check it out at: <https://cik182.gofmx.com/>

Early Childhood

- Our school readiness early childhood classes are running and ECFE will be starting Monday, September 23rd (tonight) at 5:00pm. We have 9 families, including 10 children ages birth - 5, registered for our Fall Session.

Current Registration Numbers

- Little Rangers (4's): 42
- Little Miners (3's): 17
- ECFE: 10
