Dear Mrs. Matthews,

I am writing to formally resign from my position as 8th Grade Boys Basketball Coach at Midwest Central Middle School.

This decision was not an easy one, as it has been a privilege to work with the student-athletes and be a part of their growth both on and off the court. I am grateful for the opportunity to contribute to the program and for the support from the administration, staff, and community.

I am proud of what our team has accomplished over the last two seasons and will always value the relationships built during my time. Coaching basketball has always been a passion of mine. Seeing kids improve, believe in themselves, and grow as young human beings is why I do it.

Thank you again for the opportunity to coach at Midwest Central. I can only hope that I exceeded in representing this great district during my time as your coach. I look forward to seeing the program continue to improve with time and practice and take great fulfillment in knowing I played a small part.

Sincerely,
